KRAIG MATRIX CO

AI AUTOMATION & DIGITAL MARKETER

AI Workflow Automation | SEO | Web Dev & Funnels | Graphic Design

PROFESSIONAL PROFILE

As an experienced **AI Automation Specialist and Digital Marketer**, my primary expertise lies in building automated workflows, technical SEO, and funnel development, complemented by a strong background in graphic design and social media strategy. I excel at leveraging cutting-edge platforms like **n8n, Claude, and GoHighLevel** to eliminate manual processes, build high-converting web assets, and scale client acquisitions efficiently. My goal is to continuously deliver innovative, automated systems that drive measurable brand growth and maximize ROI.

DETAILED EXPERIENCE

- AI Automation & Digital Marketer** | **Rekrete Digital** Jan – Mar 2026
 - Built and deployed automated marketing pipelines using n8n, Claude, and GoHighLevel to streamline agency operations.
 - Executed data-driven digital marketing and social media strategies to scale brand engagement and traction.
 - Managed multi-channel content lifecycles and leveraged AI tools to optimize production efficiency.
- Digital Marketer & Web Dev** | **Allied Health & B2B Agency (NDA)** Jan – Dec 2025
 - Built SEO and entity frameworks using GoHighLevel to increase keyword rankings.
 - Created high-converting landing pages, funnels, and websites within GoHighLevel.
 - Set up automated CRM workflows to track and convert website traffic.
- Video Editor** | **IT Company (NDA)** Oct – Dec 2024
 - Edited high-quality tech videos focused on storytelling and high visual retention.
 - Managed post-production tasks under strict confidentiality and data security.
- Video Editor** | **Migration Law Firm (NDA)** Jul – Dec 2024
 - Conceptualized and edited short-form and long-form legal migration videos.
 - Maintained brand integrity and strict confidentiality protocols for all media assets.
- Virtual Assistant** | **Coach Client** Jun – Aug 2024
 - Formatted, optimized, and polished ebooks for digital launch.
 - Managed client communications and streamlined daily administrative tasks.
- Social Media Manager** | **Nails.CO** 2024
 - Created engaging social media content to attract salon clients and build loyalty.
 - Scheduled multi-platform posts on Instagram and Facebook to maximize reach.
 - Handled community management by engaging with follower comments and messages.
 - Monitored analytics to optimize content performance and increase salon bookings.

Graphic Designer | JMBSarol

2024

- Designed storyboards, posts, and visual layouts for an influencer account.
- Created high-converting YouTube thumbnails and banners to boost video CTR.
- Produced informative infographics to support influencer marketing campaigns.

Graphic Designer | Pixelerate Photo Studio

Jul – Dec 2023

- Developed marketing assets including brochures, flyers, and social media posts.
- Retouched product photography and organized the studio's digital portfolio.
- Collaborated with photographers to maintain a consistent brand aesthetic.

Graphic Designer | Healthcare Client (NDA)

2021 – 2022

- Created patient education infographics and brochures to explain medical data.
- Designed targeted social media ads to promote clinical services and gain patients.
- Built visually clean internal presentations and reports for healthcare staff.

Virtual Assistant | Sushi Fix Manila

May – Aug 2021

- Managed inbound customer calls and resolved service inquiries efficiently.
- Coordinated courier schedules to ensure accurate and on-time food deliveries.
- Processed digital orders and tracked payment collections securely.
